Click twice (double-click) to execute an action.

Click once to see more options.
Double-clicking does nothing.
**MOUSE PRACTICE**

**Mousing Around**
http://www.pbclibrary.org/mousing/intro.htm

Mousing Around is for students who want a comprehensive overview of how to use the mouse.

**Mousercise**
http://www.pbclibrary.org/mousing/m1.htm

Mousercise is a simple practice for beginner computer users looking to use the mouse.

**This is Sand**
https://thisissand.com/

A visually gorgeous and relaxing game that lets you practice right clicking and guiding the mouse.

**Koalas to the Max**
http://www.koalastothemax.com/

This is a game that requires the user to click and hold the mouse. Every time a user hovers their mouse over a circle the circle splits into smaller circles until a picture is revealed. The end result is a picture of Koalas.

**Fly Trap**
https://minimouse.us/flytrap.htm

In this game, users play as a frog trying to catch flies.

**Mini Mouse**
https://minimouse.us/flytrap.htm

This site offers a number of mouse games that will help people practice. These are more active, faster pace games.
USING THE KEYBOARD

Fill in your keyboard with the new keys you learned about today.

We've also left some extra space so you can write down information about keys and keyboard shortcuts you think you will use the most.
Typing Club
https://www.typingclub.com/

Typing attack
https://www.typinggames.zone/typingattack

In this game you play a spaceship. Words are coming to attack your spaceship and you must type the words correctly in order to defeat them and defend yourself. This is a good game for people who want to increase their typing speed.

Desert Typing Racer
https://www.freetypinggame.net/play14.asp

In this game, you are a drive. Words are other cars on the road. If you correctly type a word, then you won’t hit the car. Fast paced racing game that supports a learning typist.

Keyboard Ninja
https://www.typing.com/student/game/keyboard-ninja

This game lets you practice specific topics in typing (like home row keys,) while playing a game.

Typing.Com Games
https://www.typing.com/student/games

There are eight different typing games to choose from on this site.
